

Vodafone Idea Manpower Services Limited
Financial Statements
For the year ended March 31, 2022

INDEPENDENT AUDITOR'S REPORT

To the Members of Vodafone Idea Manpower Services Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Vodafone Idea Manpower Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 35 in the financial statements which, states that the Company's current liabilities exceeded its current assets by Rs 436 lakhs as at the balance sheet date. Further, Company's business operations are dependent on its holding company. These conditions indicate the existence of material uncertainty on the Company's ability to continue as a going concern. The Company's ability to continue as a going concern is largely dependent upon the holding company's ability to continue as going concern. Our opinion is not qualified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also

responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) The going concern matter described in Material Uncertainty Related to Going Concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
 - (f) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;

- (g) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (h) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2022;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 22 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. No dividend has been declared or paid during the year by the Company.

Annexure 1 to the Independent Auditor's Report

Annexure referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements'

Re: Vodafone Idea Manpower Services Limited ('the Company')

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) The Company does not have any Property, Plant and Equipment and Intangible assets, accordingly the requirements under clause 3(i) (a), (b), (c), (d) and (e) of the Order are not applicable to the Company.
- (ii) (a) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.

(b) The Company has not availed any working capital limits from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a), (c), (d), (e) and (f) of the Order is not applicable to the Company

(b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.
- (v) The Company has not accepted any deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The Central Government has not specified the maintenance of cost records under clause 148(1) of the Act, for the services of the Company Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, value added tax, cess and other statutory dues applicable to it. The provisions pertaining to duty of customs and duty of excise are not applicable to the Company. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable

(b) The dues of goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess, and other statutory dues have not been deposited on account of any dispute, are as follows

Name of the statute	Nature of the dues	Amount (Rs in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Employees' Provident Funds & Miscellaneous Provision Act, 1952	Provident Fund	1,580	2017-18	Central Government Industrial Tribunal (CGIT), Mumbai

During the previous years, the Company has deposited Rs 1,348 Lakhs under protest in connection with the abovementioned dispute.

The provisions pertaining to duty of customs and duty of excise are not applicable to the Company.

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause ix(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.
- (d) On overall examination of the financial statements of the Company, the Company has used funds raised on short term basis (in form of trade payable and other liability) aggregating to Rs. 436 Lakh for long-term purposes (to fund losses of the Company).
- (e) The Company does not have any subsidiary, associate, or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.

(b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/ secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

- (xii) The Company is not a nidhi company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a),(b),(c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) (a) The Company has implemented internal audit system on a voluntary basis which is commensurate with the size of the Company and nature of its business though it is not required to have an internal audit system under Section 138 of the Companies Act, 2013
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) The Group has 5 Core Investment Company as part of the Group.
- (xvii) The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company
- (xix) As referred to in 'Material uncertainty related to Going concern' paragraph in our main audit report and as disclosed in Note 34 & 35 to the financial statements which includes the financial ratios and ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our

knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, there exists a material uncertainty that the Company may not be capable of meeting its liabilities, existing at the date of balance sheet, as and when they fall due within a period of one year from the balance sheet date.

We, further state that this is not an assurance as to the future viability of the Company and our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The requirement of section 135 of The Companies Act, 2013 is not applicable to the Company, and accordingly the requirement to report on Clause 3(xx) of the Order is not applicable to the Company.

Annexure 2 to the Independent Auditor's report of even date on the Ind AS Financial Statements of Vodafone Idea Manpower Services Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vodafone Idea Manpower Services Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Ind AS Financial Statements

A company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in

accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

1. Corporate Information

Vodafone Idea Manpower Services Limited ('the Company'), a wholly owned subsidiary of Vodafone Idea Limited (formerly known as Idea Cellular Limited) was incorporated under the provisions of the Companies Act applicable in India on October 3, 2007 and is in the business of providing manpower services to its holding Company and fellow subsidiaries.

The financial statements for the year ended March 31, 2022 were approved by the Board of Directors and authorized for issue on May 6, 2022.

2. Statement of Compliance

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows together with the notes have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

3. Basis of Preparation

These financial statements have been prepared on a historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services on the transaction date.

All financial information presented in Rs. has been rounded off to the nearest lakhs unless otherwise stated.

The financial statements are based on the classifications provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

4. Significant Accounting Policies

a) Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and can be reliably measured, regardless of the timing of receipt of payment. Revenue is measured at the "Transaction Price" i.e. an amount that reflects the consideration, to which an entity expects to be entitled in exchange for transferring services to customers, excluding amounts collected on behalf of third parties. Taxes and duties collected by the service provider are to be deposited with the Government and not received by the Company on their own account. Accordingly, it is excluded from revenue.

i) Service Revenue

Revenue on account of manpower services is recognised as and when services are rendered and related costs are incurred.

ii) Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is recorded using the applicable Effective Interest Rate (EIR), which is the rate that exactly discounts estimated future cash receipts over the expected life of the financial asset to that asset's net carrying amount on initial recognition.

b) Employee benefits

i) Defined Contribution Plan

Contributions to Provident and Pension funds are funded with the appropriate authorities and charged to the Statement of Profit and Loss when the employees have rendered service entitling them to the contributions. The Company has no obligation other than contributions payable to these funds.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

ii) Defined Benefit Plan

The Company operates a defined benefit gratuity plan, which requires contributions to be made to a separately administered fund with the Life Insurance Corporation of India. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method, with actuarial valuations being carried out at periodic intervals.

Re-measurements, comprising of actuarial gains and losses and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding charge or credit to Other Comprehensive Income (OCI) in the period in which they occur. Re-measurements are not reclassified to statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs; and
- Net interest expense or income

iii) Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of salaries, wages and other short term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Provision for leave benefits to employees is based on actuarial valuation done by projected accrued benefit method at the reporting date. The related re-measurements are recognised in the Statement of Profit and Loss in the period in which they arise.

c) Exceptional Items

Items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company are disclosed as exceptional items in the Statement of Profit and Loss.

d) Taxes

Income tax expense represents the sum of the current tax and deferred tax.

i) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax is based on the taxable income and calculated using the applicable tax rates and tax laws. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss in correlation to the underlying transaction either in OCI or directly in equity.

ii) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets are generally recognised for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilised.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

Unrecognised deferred tax assets are re-assessed at the end of each reporting date and are recognised to the extent it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

e) Current / Non – Current Classification

An asset is classified as current when

- a) It is expected to be realized or consumed in the Company's normal operating cycle;
- b) It is held primarily for the purpose of trading;
- c) It is expected to be realized within twelve months after the reporting period; or
- d) If it is cash or cash equivalent, unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Any asset not conforming to the above is classified as non-current.

A liability is classified as current when

- a) It is expected to be settled in the normal operating cycle of the Company;
- b) It is held primarily for the purposes of trading;
- c) It is expected to be settled within twelve months after the reporting period; or
- d) The Company has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Any liability not conforming to the above is classified as non-current.

f) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

g) Financial Instruments

Initial recognition and measurement

Financial Instruments (assets and liabilities) are recognised when the Company becomes a party to a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, other than those designated as fair value through profit or loss (FVTPL), are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of Profit and Loss.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

i) Financial assets

All regular way purchase or sale of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Subsequent measurement

All recognised financial assets are subsequently measured in their entirety at amortised cost or fair value, depending on the classification of the financial assets:

- a) Financial assets measured at amortised cost
- b) Financial assets measured at fair value through profit or loss (FVTPL) – The Company does not have any assets classified as FVTPL.
- c) Financial assets measured at fair value through other comprehensive income (FVTOCI) – The Company does not have any assets classified as FVTOCI.

Financial assets measured at amortised cost.

A financial asset is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the EIR, transaction costs and other premiums or discounts) through the expected life of the debt instrument or where appropriate, a shorter period, to the net carrying amount on initial recognition.

The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables, loans, etc.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - the Company has transferred substantially all the risks and rewards of the asset; or
 - the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Debt instruments measured at amortised cost e.g., loans and bank deposits
- Trade receivables
- Other Financial assets not designated as FVTPL

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

For recognition of impairment loss on debt instruments and other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables (including lease receivables). The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

ii) Financial liabilities

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the EIR method or at FVTPL. The Company does not have any liability classified as FVTPL.

Financial liabilities at amortised cost

After initial recognition, interest-bearing borrowings and other payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

In case, an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

iii) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

h) Fair value measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) (a) on the date of the event or change in circumstances that caused the transfer or (b) at the end of each reporting period or (c) at the beginning of each reporting period.

i) Earnings per share

The earnings considered in ascertaining the Company's Earnings per share (EPS) is the net profit / loss after tax.

EPS is disclosed on basic and diluted basis. Basic EPS is computed by dividing the profit for the period attributable to the shareholders of the Company by the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless the effect of the potential dilutive equity shares is anti-dilutive.

j) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liability

A Contingent Liability is disclosed where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent Assets are not recognised.

Recent pronouncements

i) Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

ii) Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the Company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

iii) Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour,

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

iv) Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

v) Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

5. Use of Estimates, assumptions and judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures including the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require an adjustment to the carrying amount of assets or liabilities in future periods. Difference between actual results and estimates are recognised in the periods in which the results are known / materialise.

The Company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Estimates and Assumptions

i) Taxes

The Company provide for tax considering the applicable tax regulations and based on reasonable estimates. Management periodically evaluates positions taken in the tax returns giving due considerations to tax laws and establishes provisions in the event if required as a result of differing interpretation or due to retrospective amendments, if any.

Deferred tax asset (DTA) is recognized only when and to the extent there is convincing evidence that the Company will have sufficient taxable profits in future against which such assets can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, recent business performance and developments

Minimum alternative tax (MAT) is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax and will be able to utilize such credit during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Statement of Profit and loss and is included in Deferred Tax Assets. The Company reviews the same at each balance sheet date and if required, writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to absorb such credit during the specified period.

ii) Defined benefit plans (gratuity benefits)

The Company's obligation on account of gratuity and compensated absences is determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter subject to frequent changes is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

The mortality rate is based on publicly available mortality tables in India. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Further details about gratuity obligations are given in note 23.

iii) Provisions and Contingent Liabilities

Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Evaluations of uncertain provisions and contingent liabilities and assets requires judgement and assumptions regarding the probability of realization and the timing and amount, or range of amounts, that may ultimately be incurred. Such estimates may vary from the ultimate outcome as a result of differing interpretations of laws and facts. Refer Note 22 for further details about Contingent liabilities.

Contingent Liabilities

Particulars	As at March 31, 2022	As at March 31, 2021
Provident fund matter ⁽¹⁾	1,580	1,580

⁽¹⁾ This is on account of Demand raised by Provident Fund Authorities considering "Field Allowance" as salary, which the Company has challenged before Central Government Industrial Tribunal (CGIT), Mumbai. The Hon'ble Supreme Court Judgement on Provident Fund dated February 28, 2019 has led to numerous interpretative issues including a review petition. Future cash outflows in respect of the above matters is determinable only on receipt of final judgments/ decisions from CGIT. Further, based on the Company's internal evaluation, it is not probable that the claim will materialise and therefore, no provision has been recognized for the above.

Notes to Financial Statements

Note 23

Employee Benefits:

A. Defined Benefit Plan (Gratuity):

General Description and Benefits of the plan

The Company operates a defined benefit salary gratuity plan through a trust. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The benefit is payable on termination of service or retirement, whichever is earlier. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

Regulatory Framework, Funding Arrangement and Governance of the Plan

The gratuity plan is governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The trustees of the gratuity fund have a fiduciary responsibility to act according to the provisions of the trust deed and rules. Since the fund is income tax approved, the Company and the trustees have to ensure that they are at all times fully compliant with the relevant provisions of the income tax act and rules. The Company is bound to pay the statutory minimum gratuity as prescribed under Gratuity Act. There are no minimum funding requirements for a gratuity plan in India. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of underfunding of the plan, vis-à-vis settlements. The trustees of the trust are responsible for the overall governance of the plan. The trustees of the plan have outsourced the investment management of the fund to insurance companies which in turn manage these funds as per the mandate provided to them by the trustees and applicable insurance and other regulations.

Inherent Risks

The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any significant change salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future.

The following tables summarize the components of net benefit expense recognized in the Statement of Profit and Loss and the funded status and amounts recognized in the Balance Sheet for gratuity:

Sr. No	Particulars	As at March 31, 2022	As at March 31, 2021
1	Amount recognised in Balance Sheet

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

The principal assumptions used in determining gratuity obligations are shown below:

Particulars	For the year ended March 31, 2022	For the year ended March 31, 2021
Discount rate	6.85%	6.55%
Future salary increases ⁽¹⁾	8.00%	8.00%
Attrition rate	30 years & below - 30% 31-40 years - 20% 41 years & above - 8%	30 years & below - 30% 31-40 years - 15% 41 years & above - 8%
Mortality rate during employment	As per Indian Assured Lives Mortality (2012- 14) Table	As per Indian Assured Lives Mortality (2012- 14) Table
Disability	Leaving service due to disability is included in the provision made for all causes of leaving service.	

⁽¹⁾ The estimates of future salary increase considered taking into account inflation, seniority, promotion and other relevant factors.

A quantitative sensitivity analysis for significant assumptions on the defined benefit obligation is as below:

Particulars	For the year ended March 31, 2022		For the year ended March 30, 2021	
	Discount rate %	Salary escalation rate %	Discount rate %	Salary escalation rate %
Impact of increase in 50 bps on DBO	-3.27%	3.23%	-4.04%	3.97%
Impact of decrease in 50 bps on DBO	3.50%	-3.13%	4.36%	-3.83%

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected contributions to the defined benefit plan in future years:

Particulars	For the year ended March 31, 2022	For the year ended March 31, 2021
Within the next 12 months	111	112

Disaggregation details of plan assets (% allocation)

Particulars	For the year ended March 31, 2022	For the year ended March 31, 2021
Insurer Managed Funds ⁽¹⁾	193	133

⁽¹⁾ The funds are managed by Insurers and they do not provide breakup of plan assets by investment type.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

Projected plan cash flow:

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date.

Maturity Profile	As at March 31, 2022	As at March 31, 2021
Expected benefits for year 1	62	112
Expected benefits for year 2	58	53
Expected benefits for year 3	61	49
Expected benefits for year 4	56	50
Expected benefits for year 5 and above	771	965

The average duration of the defined benefit plan obligation at the end of the reporting period is 7.24 years (March 31, 2021: 8.32 years).

A. Defined contribution plans:

During the year, the Company has recognised the following amounts in the statement of profit and loss:

Particulars	For the year ended March 31, 2022	For the year ended March 31, 2021
Employers' contribution to provident and pension fund	367	381
Employee State Insurance Corporation contribution	30	51

(b) Fair value hierarchy

The carrying amounts of the financial assets and financial liabilities are reasonable approximation of their fair values. Accordingly, the fair values of such financial assets and financial liabilities have not been disclosed separately.

Note 32

Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise cash and bank balance and Margin Money deposit.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The Directors of the Company oversees management of these risks and assure that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

Vodafone Idea Manpower Services Limited

Financial Statements for the year ended March 31, 2022

(All amounts are in Rs. lakhs, except per share data and unless stated otherwise)

Notes to Financial Statements

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include borrowings.

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities and other financial instrument.

The Company provides its services to the Group Companies and trade receivable are generally on 15 to 30 day credit terms. The Company does not have credit risk.

Other financial assets and cash deposits

Credit risk from balances with banks is managed by the holding Company's treasury department.

The Company maintains its Cash and cash equivalents with banks and financial institutions having good reputation, good past record and high quality credit rating and reviews their credit worthiness on an on-going basis in close co-ordination with its holding Company's Treasury team.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2022 and March 31, 2021 on its carrying amounts has been illustrated in note 8, 9 & 10.

c) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company has Financial liabilities of trade payables which are payable within one year. The Company generally maintains sufficient cash and other liquid financial assets to meet the payment of financial liabilities as per dates. However, as its business operations are dependent on the holding Company, its ability to settle these liabilities is dependent on the cash flows from the holding Company towards the services provided to it (refer note 35).

Note 33

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

As the Company's business operations are dependent on the holding Company, its ability to take care of its long term and working capital requirements is dependent on the cash flows from the holding Company towards the services provided to it (refer note 35).

Vodafone Idea Manpower Services Limited

Note 34

Ratios for the year ended March 31, 2022 and March 31, 2021

Particulars	As at March 31, 2022	As at March 31, 2021	% Variance	Reason for change
Current Ratio ⁽¹⁾	0.23	1.43	-84%	Mainly due to increase in current liability
Return on Equity Ratio ⁽²⁾	11%	32%	-65%	Mainly due to decrease in profit
Trade Payables turnover ratio ⁽³⁾	26.59	23.50	13%	
Net capital turnover ratio ⁽⁴⁾	(0.06)	0.04	-279%	Mainly due to increase in Short term provisions
Net Profit ratio (%) ⁽⁵⁾	0.23%	0.40%	-41%	Mainly due to increase in Support service charges
Return on Capital employed ⁽⁶⁾	10%	22%	-55%	Mainly due to increase in Support service charges and due to profit during th year

⁽¹⁾ Current Ratio = [Current assets/Current liabilities]

⁽²⁾ Return on Equity Ratio = [Net Profit/(loss) after tax/ Average Equity]

⁽³⁾ Trade Payables turnover ratio = [Total purchases/Average Trade Payables]

⁽⁴⁾ Net capital turnover ratio = [Revenue from operations / (Current asset - Current liability)]

⁽⁵⁾ Net profit ratio = [Profit/(Loss) after tax/Revenue from operations]

⁽⁶⁾ Return on Capital employed = [(Profit/(loss) before tax / (Equity share capital + Other equity)]

Note 35

The Company's current liabilities as at March 31, 2022 exceeded its current assets by Rs. 436 Lakhs. The Company has assessed its liquidity position and its possible sources of funds. Basis the assessment, the Company may need financial support from the holding company to settle some of its existing liabilities and fund the operations of the Company. Accordingly, Company's ability to continue as a going concern is dependent on the holding company's ability to continue as a going concern. The holding Company's ability to continue as going concern is dependent on its ability to raise additional funds as required.

Note 36

Previous year's figures have been regrouped or rearranged wherever necessary to conform to the current year grouping.
