Statements from Promoter Organisations of Vodafone Idea Limited

“The pathbreaking reforms announced by the government today will go a long way in unshackling the telecom sector. These reforms demonstrate the government’s firm commitment to ensuring healthy growth of the industry. The measures also reflect the decisiveness of the Prime Minister, the Telecom Minister, and the government to address long-standing issues. These reforms will bring alive the digital aspirations of 1.3 billion people and accelerate India’s journey to be a digitally powered economy as envisaged by our Honorable Prime Minister.”

Kumar Mangalam Birla, Chairman, Aditya Birla Group

“We commend the resolve shown by the Government of India, under PM Modi’s leadership, to find a comprehensive solution that would support a competitive and sustainable telecom sector in India”, said **Nick Read, CEO, Vodafone Group.**

“Although the sector has struggled for many years, we expect that the Government’s constructive initiative announced today – along with the continued strong support of the Telecom Minister and Finance Minister – will be the beginning of a new era for India’s digital ambitions and for VI’s continued contribution to creating an inclusive and sustainable digital society to the benefit of all citizens”, added **Nick Read.**
