Vi Extends Prepaid Validity, offers Talk time and Data for Flood affected Residents of Tripura

Given the damage and disruption caused by the Floods in Tripura, **Vi is committed to supporting its customers in the State in this challenging time.** Knowing how important it is for people to remain connected and access critical information in this challenging time, the telecom operator is extending the validity of prepaid services by 5 days for selected customers in the affected area to remain connected.

To further aid connectivity, Vi is offering 1GB of extra data along with free outgoing minutes at no extra cost. These measures are effective immediately and are applicable to select customers within the flood affected regions.

Vi's network teams are diligently working around the clock with local authorities to help restore normalcy in the affected areas.
