## **Vi Users in Maharashtra to Experience Stronger Indoor Coverage and Faster Data Speeds with L900 and L2100 Expansion**

**Expands L900 technology to provide stronger indoor coverage & L2100 technology leading to faster data speeds**

- **Initiative covers over 4200 sites across 35 districts in Maharashtra**

**Vi**, a leading telecom operator, today announced the expansion of L900 technology and L2100 Technology to over 4200 sites across 35 districts in Maharashtra including **Pune, Nagpur, Kolhapur, Nashik, Chhatrapati Sambhaji Nagar, Solapur, Ahmednagar, Thane**. This is part of Vi's broader strategy to upgrade and enhance network infrastructure and provide its best-ever network after successfully raising funds in its Follow-on Public Offering.

The expansion of these technologies will significantly enhance Vi users' indoor network experience in areas with dense building infrastructure and in suburban areas, **enabling superior voice quality as well as faster data speeds** on its best-ever network – Vi GIGAnet.

Commenting on the development, **Rohit Tandon, Cluster Business Head, Maharashtra & Goa, Vodafone Idea**, said, "We are committed to delivering superior network experiences to our users by expanding network coverage and capacity. The deployment of L900 and L2100 is an important step in enhancing Vi's 4G network in the Maharashtra circle. We will continue to expand our network as well as bring relevant services and offerings to delight our customers."

Vi has been making significant strides in enhancing its plans and offerings for customers. Some recent offers for users in Maharashtra include:

- To ensure a worry-free data experience for its prepaid users Vi's Hero Unlimited Offering includes unique benefits such as Unlimited High Speed Data from 12am – 6am', Weekend Data Rollover and Data Delight which provides upto 2GB extra data/ month, over and above their daily data quota at no extra cost. Users can avail this recharge pack starting Rs. 349.
- Vi Guarantee Programme, where Vi users will get 130GB of guaranteed extra data over a period of one year, with 10GB data credited to their account automatically on every 28th day for 13 consecutive cycles. This offer is valid only for Vi customers with 5G smartphones or who have recently upgraded to a new 4G smartphone.
- Given the popularity of OTT platforms and growing consumer demands of bringing more entertainment at an affordable price for its users, Vi Movies & TV App now offers access to 17 OTT platforms and 350 Live TV Channels in one single subscription. It has newly launched two new subscription plans – Vi Movies & TV Plus priced at Rs. 248 per month and Vi Movies & TV Lite priced at Rs. 154 per month.
