

Vodafone SuperNet™ 4G SIM Upgrade Offer

Vodafone SuperNet™ 4G is launching in your city, very soon. Pre-book your free 1 GB 4G data offer today by upgrading your existing SIM to 4G

Terms and Conditions for the 1 GB 4G offer:

1. For both prepaid and postpaid customers:

- You need to upgrade to a 4G SIM by visiting your nearest Vodafone Store. To locate one, [click here](#)
- You should have a 4G handset with 4G/LTE settings enabled on your phone

2. If you are a prepaid customer:

- The 1 GB benefit will be valid for a period of 10 days from the date of pack activation on your number
- The benefit will be activated on your number within 72 hours from the launch of 4G in your city. You will receive an SMS confirmation for the same

3. If you are a postpaid customer:

- The 1 GB benefit will be valid for a period of 1 bill cycle from the date of pack activation on your number
- The benefit will be activated on your number within 72 hours from the launch of 4G in your city or the start of your bill cycle; whichever is later
- If you have a corporate connection, please contact your Relationship or Service Manager for more details
- You will not be eligible for the offer if you are on a 2G pack or plan on the date of 4G launch in your city

If you have already upgraded to a 4G SIM card and are using a 4G handset, you will get the benefit when we launch it in your city, date of which will be communicated.

If you are not a Vodafone customer, port in to Vodafone and enjoy Vodafone SuperNet™ 4G. To know more, [click here](#)
