

delivering Zomato's online orders efficiently

Zomato is a restaurant aggregator and food delivery start-up. Their main customer contact point is their online food ordering platform and app.

Business Challenge

- To help launch their unique online food ordering platform, Zomato was looking for a connectivity partner who could provide pan-India service and deliver a solution tailored to their requirements

Our Solution

- Our teams provided a customised Mobility Solution, on GIGAnet, to Zomato for order processing, leveraging our strong network, superior service delivery and support
- This solution is now deployed in the devices that Zomato supplies to restaurants and establishments for their online order completion

Business Impact

- With our bespoke solution, processing online orders is now smooth on Zomato and has also helped them optimise costs.
- ViTM Business is now Zomato's preferred connectivity partner for online order processing across India
