

**great for your business.
great for your people.**

Get the best postpaid plans,
bundled with advanced features
on **ViTM Business Plus**

In this increasingly hybrid working world, we, at Vi™ Business, are aware that your business and employees have been through unprecedented times. We know that you have employee well-being on your mind, but also want to ensure business efficiency, security and productivity. We understand that your business needs the right tools to enable your employees to communicate, collaborate, and connect efficiently, no matter where they are.

Introducing Vi™ Business Plus – a suite of postpaid plans exclusively for corporate customers, that give you and your employees the flexibility and freedom to function from anywhere – enabling you to find the right balance between business objectives and employee preferences.

Starting at ₹299, these plans not only enable flexibility but also provide great value.

more than just Postpaid

Mobile Security

Protect your employees' mobile, no matter where they access it from

- Protect the device data of your mobile workforce in the event of any cyber-attack
- Worry-free experience for employees

Location Tracking

Get regular updates on the location of your field staff to ensure their safety and stay on top of all your operations

- Get regular visibility of your on-ground workforce
- Ensure safety and security of your employees

Productivity

Improve productivity while ensuring flexibility for your employees, with Google Workspace's suite of online collaboration tools like business email, video & audio conferencing, docs, sheets, slides, shared calendar, team messaging and more, along with online security and cloud storage

Entertainment

Give your employees access to premium entertainment with a one-year subscription to **Disney+ Hotstar Mobile and Vi™ Movies & TV**

Profile tunes

Get access to unique Profile Tunes via Vi™ Callertunes app – where you can set prerecorded messages when out of office, in a meeting, working from home, and much more!

how does Vi™ Business Plus benefit your business?

Ultrafast speeds with GIGAnet

Respond to customers, clients, partners, and employees swiftly and efficiently, with blazing fast upload and download speeds

Seamless connectivity

Always stay connected to your employees & customers, and ensure that all your business processes run efficiently

Flexibility of usage

Give your employees the freedom to choose additional services, without impacting your business' mobile expenditure

Easy manageability

Control your enterprise mobility operations, manage your connections, pay bills online and much more with ease through the Vi™ Business – Mobility platform. In addition to this, on the Vi™ App you and your employees can experience a host of features including managing and paying bills, as well as special offers on business, health & wellness, learning and much more
