1. New activation can be done only on this SUK.
2. The subscriber needs to do first recharge with applicable STVs which are offered for this purpose (First Recharge Vouchers). However, post expiry of the validity of First recharge voucher, the subscriber has to recharge with any applicable recharge.
3. In case of recharge with applicable STV/Combo voucher (CV)/Plan Voucher (PV), the service validity will be extended with validity of respective STV/CV/PV.
4. In case customer has main talk time balance equal or more than 224 and no recharge is done with a STV/CV/PV, then minimum amount of Rs 224 debited and tariff of PV 224 will be provided.
5. In case of no- recharge with a STV/CV/PV post the grace period, all services are liable to be suspended.
6. The mobile connection will be deactivated if there is no call (outgoing or incoming) or an outgoing SMS or a data session (upload or download) or usage of Value-added Services, for a continuous period of 90 days and in case the main account balance is less than Rs. 20/-, at the discretion of VIL. Upon deactivation, all account balances will be forfeited and a grace period of 15 days will be provided within which the subscriber can retain the deactivated number by paying a fee of Rs. 20/-. If the subscriber main account balance is Rs. 20/- or more, a number retention charge of Rs. 20/- for every 30 days will be automatically deducted and the nonusage period will be extended by 30 days.
7. The voice/SMS benefits under the Plan voucher cannot be used for outgoing calls/SMS to premium numbers, IN numbers, international numbers and other chargeable short codes; the subscriber will be charged applicable tariffs for the same.
8. The Plan is intended only for personal use of included services. VIL reserves the right to discontinue service immediately in case of misuse/fraudulent use/unauthorized telemarketing and commercial use.
9. Unutilized free benefits will be forfeited at the expiry of current recharge of the plan.
10. In wireless networks, download/upload speed cannot be assured due to reasons beyond the control of mobile service providers. Vi provides one of the best 4G download speeds as per open signal report (Month of November, 2024) with a national average above 17.4 Mbps. As per the test set up provided in TRAI QoS Regulations, recent typical 10th percentile download/upload speed for 4G is 15.12 Mbps / 8.03 Mbps. This implies that 90% of our subscribers experience speeds higher than this speed.
