- x. Any other reason, which is found to be reasonable by the Company warranting suspension/disconnection.
- xi. The Company makes no express or implied warranties, guarantees, representations, or undertaking, what so ever, regarding the services, except those expressly mentioned in this agreement. In all the above cases, the Subscriber shall remain liable to pay service and/or usage charges during the period of suspension.
- g. The company will not be liable for any act of commission or omission of any distributor / dealer / retailer / third party offering any privilege or benefits to the customer without prior sanction of company or outside the realm of company's offers/T&C.
- h. As per government instructions, it is mandatory for the subscriber to personally fill the customer application form, provide self-attested copies of proof of identity & address and recent passport size photograph. The company has the rights to suspend the services with prior notice to the subscriber if any discrepancy is found with regards to the documentation or details.
- i. Subscriber should declare total mobile connections subscribed by him / her from various operators.
- j. If an individual customer has nine (9) connections under his name, irrespective of the service provider, then the customer shall not be granted an additional connection. Giving primacy to National Security, however company reserves the right to fix the count of connections a customer can hold to less than nine connections. In the event it is found that an individual has more than nine connections or number as defined by Vi, across operators which remained undecleared, Vi reserves the right to disconnect (with immediate effect) the subscription without prior notice to comply with regulatory guidelines/DOT directives.
- k. The first outgoing call of the customer will be redirected to the Call Center. Activation of the SIM is only subject to the positive telephonic verification of the customers.

3. CHARGES AND PAYMENTS

- a. The Subscriber shall make the following payments to the Company as per tariff plan selected and billing cycle subject to any change by the Company in its tariff plan structure:
 - i. One time payments on commencement of services viz. Activation charges, Plan fees if applicable, Security and other interest free deposits as may be applicable.
 - ii. Monthly charges including monthly access charges, airtime charges, PSTN charges (charges in case of calls to landline phones), fees for selected call management services, monthly rental, STD/ISD charges, GST, roaming charges and any late payment charges as may be applicable as per the tariff plan selected by the Subscriber (Airtime charges are applicable when the Subscriber makes or receives

- calls, when calls are made from a cellular to a conventional land phone, airtime charges plus local/STD/ISD charges will be applicable).
- iii. In case any charges are disputed, the Customer shall intimate the Company within two (2) days of receipt of bills. In case of non-receipts of such information, the charges shall be deemed to have been accepted. In all events, the Customer shall pay full amount of charges, pending settlement of dispute.
 - iv. The Company shall have right to introduce any/other tariff plans/services from time to time, and the Company reserves the right to withdraw/alter/change/modify any/all tariff plan/s or billing cycle or Services and/or to revise the rates and charges applicable to such plans services in its sole discretion within the realm of TRAI regulations with prior notice to the Customer/s/Subscriber/s. The call pulse rate and all other applicable charges or fees shall be governed by the rules and regulations as specified by Regulatory Authorities particularly from TRAI which are amended from time to time and /or as notified by the Company.
 - v. Security deposit/Advance usage charges (AUC) as the case may be collected from the customer shall be refunded as per the company policies in force from time to time.
- b. The Subscriber shall pay the service charges and other sums including applicable taxes as per the monthly billing statement on or before the due date mentioned in such statement in full without any deduction, set-off or withholding, failing which the Company shall charge Late Payment Fees on all outstanding dues.
 - c. The Company is entitled to discontinue the services without any intimation and/or notice after the due date at its sole discretion, in addition to and without prejudice to any other remedies available. The Company also reserves the right to suspend/deactivate the Services in case it is found that there is an outstanding against any other mobile number or from his/her earlier connection.
 - d. The Subscriber shall be liable for all subscribed charges for the Services provided to the Subscriber, whether or not used by the Subscriber.
 - e. The Company may adjust the deposit of the Subscriber, if any, in full or partial for satisfaction of any outstanding from the Subscriber to the Company. The Company reserves the right to adjust the security deposit of one mobile number against the outstanding of any other mobile number of the same Customer.
 - f. The Company shall not be responsible or liable for non-receipt of bill by the Customer sent prior to Customer informing about change in address and Customer shall be liable to make payment in respect of such bill. It is in customer's interest to enquire with the Company on the status of outstanding bills and clear dues before due date.
 - g. The Company shall have the right to predetermine, prefix and apply a credit limit to usage of Services and other value added / supplementary Services by the Customer. Company shall also have the right to demand deposit (additional or fresh) to match the usage Vs credit limit assigned. The Customer shall use the Services only up to the limits of his/her respective credit and the Company shall be entitled to bar the availability of Services either partially or totally upon reaching and/or exceeding the credit limits, with prior information to the Customer and in such event the Customer undertakes not to make any claims against the Company of whatsoever nature. The Company may demand interim payment/s upon the Customer reaching predetermined and prefixed credit limit sans any issuance of Statement of Account /itemized Bill. In such event to avail continuous Services (including any value added/supplementary Services) without any partial or complete suspension/barring, the Customer shall immediately pay the interim payment as demanded by the Company, even if there was no outstanding against his/her previous bill. All the above intimations by the Company shall be notified by 1. Tele-calling the Customer on his telephone number or any other alternate number or 2. By a short-service message. The intimations from the Company by the said mode shall be construed as due notice in this regard. In the event the Customer has exceeded his predetermined credit limit he/she will be responsible to pay for all the calls made and services obtained even beyond the stated limit. The Company reserves the right not to so bar the Services in its sole discretion and any such allowances made by the Company shall not create any right in favor of the Customer to such increased amount of credit limits in future.
 - h. Further, in the event of the Subscriber usage (including rental) 80% of the credit limit, the Subscriber may receive a call / SMS from the Company (at its sole discretion) requesting for interim payments. Further at

100% of the credit limit, the Company at its sole discretion also reserves the right to disconnect partial or full service to mobile connection on non-receipt of the interim payment whenever demand by the Company. Services would be restored on the clearance of billed and unbilled amount. Fixation of credit limit does not imply that the Company shall immediately and mandatorily disconnect partial or full service to mobile connection and/or the bill would be limited or restricted to the specified credit limit, irrespective of subscriber usage (in terms of Clause h above). The Company (at its sole discretion) shall invoke the protocols mentioned in Clause h as and when it notices the following events:

- i. Sudden spurt in usage of Value Added Services (VAS)/Data usage
 - ii. Sudden spurt in STD/ISD calls
 - iii. Usage of International/National roaming services.
- i. In case of use of International / National roaming services, the Company (at its sole discretion) shall invoke the protocols mentioned in Clause h above or shall demand for complete payment of the bill as and when the Company receives the billing details (billed call records with or without CLI) for International / National roaming services availed by the Subscriber.
 - j. The list of events above is only indicative and not exhaustive and the company may invoke the protocols mentioned in Clause h above (at its sole discretion and in its assessment, but within the realm of TRAI guideline) based on the customer credit and payment history, usage, profile etc. Further the Subscriber understands that he/she will not be eligible for the monthly credit revision for the first three months and subsequently, the Company at its sole discretion may change the same based on the usage and payment pattern apart from the company policies in this regard. Notwithstanding to anything contained above, the Subscriber understands and agree that Fixation of credit limit does not imply that the Company shall immediately and mandatorily disconnect partial or full services to mobile connection and /or the bill would be limited or restricted to the specified credit limit, irrespective of the usage (in terms of Clause h) and he /she shall always be responsible and liable to pay (without any demur) the amounts due/likely to be due against the service availed by him/her irrespective of the action/non-action by the company to disconnect partial or full services upon his/her usage (excluding rentals / feature charges etc) exceeding the 100% of the credit limit.
 - k. In the event, it is found by the Company that the Subscriber (an individual, a sole proprietor, an Un registered/ registered partnership firm, private or public limited company) is/are holding two or more subscription accounts with Company and the Subscriber who is now existing as an active Customer has outstanding amounts due payable to the Company either by himself or his/her representatives who have availed Services of the Company by virtue of Add-on card or otherwise or has been a Subscriber (an individual, a sole proprietor, an un-registered/registered partnership firm, private or public limited company) in the same account/different account under CUG or otherwise, the Company shall reserve the right to bar/discontinue to offer the Services of the Company to the mobile connections held by the subscriber (an individual, a sole proprietor an unregistered/registered partnership firm, private or public limited company) in the same account/different account under CUG or otherwise and demand the outstanding dues/amounts payable by the Subscriber under as mentioned above. Such action for discontinuation of Services shall be taken prior intimation through Tele-calling or through Short Message Service (SMS). This clause shall be applicable to the erstwhile postpaid subscribers who are using / active subscriber using Prepaid/Postpaid offer by the Company.
 - l. In case of a lost/misplaced/stolen SIM card, the entire liability of the lost/misplaced/stolen card will be borne by the Customer. In such an eventuality, the Customer shall inform the Company immediately so as to suspend the Services. The loss of or inability to use the SIM card shall not absolve the Customer from his liability to pay outstanding charges etc. In the event that the SIM card has to be replaced for whatsoever reason, the same shall be done by the Company upon payment of nominal charges. The company will replace the SIM card only on written intimation and after due verification.
 - m. While roaming in other Telecom Circle, depending upon the Service Provider/Operator selected by the Customer either manually or automatically. Operator specific Tariffs will be charged for all the Services availed by the Customer however such charging shall be as per ceiling specified by TRAI on roaming tariff from time to time.

- n. Before embarking on International or National roaming, the Subscriber shall mandatorily visit exclusive Idea store and ascertain the applicable tariffs for both voice and data.
- o. Subscribers using smart phones are hereby notified that while on International Roaming they should manually turnoff the data services to avoid the high charges on data services.
- p. The delivery of services while on roaming is subject to Clause 2 (e) above.
- q. The Customer acknowledges that peak, standard and off-peak hours for call charges may differ from one operator to another.
- r. To have an increased credit limit and to enjoy un-interrupted services, the subscriber may pay Vodafone Idea Limited advance payments or additional deposits, before he/she embarks on International roaming.
- s. Subscribers who have authorized Vodafone Idea Limited with standing instructions for bill payments through credit card, interim payments shall be processed as and when the outstanding (billed and /or unbilled amounts) crosses the credit limit/available deposit.
- t. In case of a loss of the SIM card while on roaming or otherwise, the Subscriber shall intimate Vodafone Idea Limited call center on 198 or long digit 198 number from any number. The Subscriber shall be liable for all calls made/received on the SIM card issued to/held by him/her for Six (6) hours after the intimation to Vodafone Idea Limited.
- u. Airtime charges shall be applicable to all incoming and outgoing calls. International roaming charges shall vary from country to country depending on the roaming destination.
- v. Local/STD/ISD charges and taxes will be at actual. Local/STD/ISD charges shall be applicable for all incoming calls in the roaming destinations.
- w. Airtime charges on the roaming local calls at Roaming locations will be depended on the changes defined by the International roaming operator from time to time.
- x. SMS facility shall be charged, based on charges levied by the international roaming network operator at Roaming locations.
