## **Vi launches 5G services in Coimbatore, Tiruppur and Vellore**

Following its recent 5G launch in Chennai, Union Territory of Pondicherry Trichy and Salem, leading telecom operator Vi is now launching its 5G services in Coimbatore, Tiruppur and Vellore.

The planned rollout focuses on high data consumption centres, covering key industrial hubs such as Coimbatore and Tiruppur; as well as an important healthcare and education hub Vellore, driving strong data demand from both residents and visitors.

With this launch, Vi aims to enhance connectivity in these three cities, catering to the growing demand for high-speed data services. The deployment is designed to deliver a seamless and enhanced network experience, especially in high density locations, key tourist areas and manufacturing hubs.

Commenting on the launch, **Sai Venkataraman, Circle Business Head – Tamil Nadu, Vi**, said, “We are accelerating the expansion of Vi’s 5G network as we strengthen our footprint across key markets. Following our launch in Chennai, Union Territory of Pondicherry Trichy and Salem, the rollout in Coimbatore, Tiruppur and Vellore mark important steps in this journey. Our expansion is guided by a clear focus on prioritising high demand locations spanning high data consumption centres as well as areas with significant footfall including key tourism and commercial hubs ensuring a consistent and enhanced network experience for our users.”
